"What's the new play?"

Special Note:

Everyone gets into Drama Club. Practices are usually every day from 3 to 5 p.m. The schedule changes from week to week and the amount of practices depends on the size of the role. Because the show is staged in less than six weeks, students need to have an open schedule and they need to be available for practices. Unfortunately, there may be conflicts with other clubs and it is extremely important that students attend all drama club practices consistently, without absences. The staging is very fast and numerous scenes cannot be retaught, unless an absence is due to illness. Drama Club is a big time commitment and students need to decide if they would like to be part of it. I hope this helps answer any questions about the schedule and I thank you for your interest in Drama Club.

All of the other after school activities (chess, fencing, XCELER8, Mad Science, etc) will be running throughout the school year. Your child will be able to participate in them during the rest of the year.

"What's the new play?"

all the kids constantly say....

"HAKUNA MATATA".....

It means no worries,

(for the rest of your day!)

*Can you guess the name of this year's
school play?*

*It will be a ROAR of a good time in
every way!*
