

Dear Parents,

We are excited to announce that we have continued to receive an enthusiastic response for our Xceler8 Club. We are currently accepting 3rd, 4th, and 5th grade students interested in joining our club for Session 1.

Your child will be dismissed by their classroom teacher and should meet us in the Willard library. **Please pack a light snack for your child.** They will be more productive if they have eaten.

Each meet will include a mini-lesson focused on a particular study or organization skill. The students will then apply the skill as they complete their homework. Please make sure they bring the book they are using for their independent reading at home. If your child doesn't have homework that day, we have fun study activities ready for them. After the club session, please take the time to discuss the skill your child learned that day. Working together as a team will help your student achieve his/her potential as a learner.

Session 1 Dates: Jan 12th Jan 19th Jan 26th
 Jan 26th Feb 2nd Feb 9th

Please send payment along with the attached form below by December 23rd.

Please be aware that if your child is participating in Drama Club, there may be conflicts with some of the dates.
